50 Late Model Buicks

For Two Days Only-Friday and Saturday May 21-22

I am offering the people of Memphis and vicinity an opportunity to purchase used automobiles at prices and on terms I have never made before. I want to prove to them that they can get a better bargain from me than from a new car dealer, who trades in an old car in order to sell a new one, and I believe this will prove to be the most sensational used car sale ever conducted in this city.

There are in this sale approximately 50 automobiles, consisting mostly of late model Fords, Dodges and Buicks-the three most popular selling automobiles in America. They are popular because when a man owns one and wants to sell it he can always get his money out of it-it is just like having money in the bank. I am a used car dealer-I bought every car in this sale for spot cash and every one is in first-class mechanical condition. Remember, Fords, Dodges and Buicks in late models are rarely found at a used car sale.

I had hoped to announce a new location, but cannot do so until later—for this reason every car will be thrown into this gigantic sale, and I believe all will be sold by Saturday night.

I am also offering in this sale a few very choice bargains in other makes, including an Essex sedan, a Stutz roadster. These cars can hardly be told from new and terms to suit can be arranged on any one of these cars.

SATISFACTION

Our special selling plan allows you to drive the car for five days. If at any time during this period you become dissatisfied with it you have the option of exchanging it for any other car we have in stock. Have you ever been offered a proposition as fair as this?

1918 FORD ROADSTER \$185

This little Roadster has just been repainted, has shock absorbers, good tires and a new top. Balance can be arranged in small monthly payments.

1920 FORD TOURING \$250

A 1920 Ford Touring, equipped with a Liberty Starter. Looks like a brand new car and is just as good as a new one. It has only been driven 2.000 miles on the streets of Memphis. Your proposition on the balance is good enough.

1918 DODGE ROADSTER \$275

A 1918 Dodge Roadster-This one looks goods, is well shod and is in A-1 mechanical condition. You know how hard it is to get a good Dodge Roadster. Don't overlook this one. Balance can be arranged to ruit your convenience.

1920 DODGE TOURING

1920 Dodge Touring. This one is just two months old and is equipped with two cord fires and an extra one—honestly, it is just like a new car. This kind of a bargain is seldom found. You know that the demand for these cars cannot filled. Your proposition on the balance will be 1920 BUICK ROADSTER \$495

Phink of it, a 1920 Buick Roadster-I don't lieve you can tell this from a new one. It has oversize, non-skid tires all around. It has 1920 State, County and City license paid and is equipper with dimmers. Better hurry if you are interested in a car of this type, because it won't be here long. Balance in small monthly payments.
